

Informatica South Africa User Group

Johannesburg – Tuesday 8 November 2007

Fairlawns Hotel, Morningside, Johannesburg

Keynote

Join fellow Informatica users along with Mark Simons, Senior Product Manager of Informatica's Complex Data Exchange EMEA Team, at the upcoming breakfast meeting of the South African Informatica User Group. By attending the meeting you'll learn how the latest product roadmap delivers advances in metadata management, service-oriented integration, connectivity, business analysis and purpose built interfaces.

AGENDA

07:30 – 08:30	: Arrival, coffee & registration
08:30 – 08:45	: Welcome & Feedback
08:45 – 09:00	: Breakfast
09:00 – 09:45	: What's New in PowerCenter 8.5
09:45 – 10:30	: Complex Data Exchange Solutions
10:30 – 11:00	: Questions and Closure
11:00 – 11:30	: Prize Giving & Close

Agenda Features

- **PowerCenter 8.5:** New features introduced in PowerCenter 8.5 with emphasis on the options introduced to improve collaboration between business and IT. These include the Business Glossary, Metadata Management, Wizard driven Web Services creation and many more.
- **Complex Data Exchange:** In depth demonstration of the Informatica Complex Data Exchange, helping to understand the product, where it fits in the organization and how easy it is to deploy.

If you require additional information on any of the topics discussed or would like the presentation pack sent to you please contact the Informatica South Africa office with your requirements:
